WELCOME TO MAPLE SHADE-MOORESTOWN CAMERA CLUB

We are a group of dedicated photography buffs who meet once a month from September through May to share our love of photography through programs, competitions and fellowship. We welcome all photographers from novice to professional. Our membership is not limited to the residents of Maple Shade or Moorestown.

We are the original camera club to feature a “snapshot-size” A and B category print competition.

For over 70 years, the Maple Shade-Moorestown Camera Club has been promoting the art of photography among its members.

MAY Program Tuesday, May 3rd

Program: “42 Things to Think about BEFORE you press the Shutter” by Steve Gottlieb

Judge: Steve Gottlieb, Horizon Workshops

STEVE GOTTLIEB, Speaker

In 2005, after twenty years as a commercial photographer and author of four photography books (www.gottliebphoto.com), I turned my attention to creating a photography workshop and teaching photography.

To find a workshop location, I surveyed more than twenty small towns between Washington, D.C. and New York City. Chesapeake City, a waterfront town in northeast Maryland, just ten miles from I-95, seemed the ideal location. The town is filled with colorful, photogenic 19th-century buildings, and it offers wonderful amenities — three lovely B&Bs plus nearby motels, four fine restaurants, a cozy café, and gift shops whose owners are happy to pose for our students. Our classes are held in a historic 1870s building overlooking the Chesapeake and Delaware Canal.

A Group: This group is primarily composed of professional and/or experienced photographers.

B Group: This group is primarily composed of non-professional and/or beginning photographers.

MAY Program (Continued)
Tuesday, May 3rd

As Horizon has flourished, we have expanded beyond Chesapeake City. We offer workshops in NYC, Washington, and Boston. I also lead a one-week "Western Adventure." We hold about forty weekend workshops annually; you can search for them by subject, location, instructor or date. We also offer custom workshops for camera clubs and meet-up groups (see: <http://www.horizonworkshops.com/groups.html>).
